Outstanding Pictures of 1945

Final act. General MacArthur signs the instrument of surrender aboard the battleship Missouri in Tokyo Bay, Sept. 2. Behind him stand Gen. Jonathan Wainwright (left), hero of Corregidor, and British Gen. Sir Arthur Percival, who surrendered Singapore to the Japs. MacArthur gave each of them one of the pens with which he signed the document. Wainwright is holding his pen.

On this and following pages appear the great news pictures of the year. Many concern the war, since it overshadowed everything else everywhere. Yet among them are pictures of unimportant matters; they are great simply because they are dramatic.

Cataclysm. Smoke from second atom bomb, most dreadful weapon in history, mushrooms 20,000 feet above Nagasaki, Aug. 9. This one already had made the first atom bomb, dropped on Hiroshima, obsolete. It pulverized most of the industrial city.

Annihilation. This picture of Nagasaki was taken about a month after the atom bomb attack. It shows a city of rubble in the flattened four-mile area. Once 18,000 buildings stood here. Now only debris remains.

Sea epic. Carrier Franklin, struck by two 500-pound bombs 58 miles off Japan, March 19, lists badly as she is snapped from cruiser Santa Fe. Explosions ripped her repeatedly. Casualties topped 1,000. But she got back to Brooklyn.

Proudly we hailed this inspiring picture of U. S. Marines of the 28th Regiment raising the flag on bloody Mt. Suribachi, Iwo Jima, Feb. 23. It made tremendous impression on America.

**Thank you,
Doctor...
for recommending
Phillips'!**

It's an ideal laxative antacid

Phillips' Milk of Magnesia works a double wonder overnight when overindulgence in eating or drinking results in excess stomach acidity. Take Phillips' at bedtime with water — it works 2 ways to help you start the day refreshed and full of life.

1. As an acid stomach alkaliser, Phillips' is one of the fastest, most effective known to science.

2. As a laxative, gentle Phillips' can be taken any time without thought of embarrassing urgency...Caution: Use only as directed.

Keep the famous blue bottle of genuine concentrated Phillips' Milk of Magnesia always handy. For family economy buy the big 50¢ bottle which contains three times as much as the 25¢ size. In convenient, easy-to-carry tablet form, Phillips' costs only 25¢ a box, less than a penny a tablet.

*"I've never had
a dull time in
this dress yet!"*

SAYS MADELINE PATTERSON, OF
BRUNSWICK, GEORGIA

"Knock wood? Not me! I know another kind of magic that makes me plenty sure this little washable job won't lose its glamour. Though I've worn it (and washed it) dozens of times, it's still as eye-catching as the day I bought it! What's the secret? Three little words that spell glamour for all your precious sudsables—Ivory Flakes Care.

"IF YOU'RE HEP—

you probably wouldn't use anything *but* Ivory Flakes for undies and stockings. This dress just goes to show it pays to baby *other* nice washables, too. In case you're from Missouri, bend an ear to the story that convinced me!

"THESE ARE THE FACTS—

proved by wash tests! Seems they washed rayon dresses, sweaters, slipcovers and such *two* ways. With ordinary washday soaps and methods, they soon faded and looked sad. But gentle care and Ivory Flakes kept identical washables bright and new-looking—up to twice as long.

HEAD FOR TWICE THE WEAR with IVORY FLAKES CARE

"BABY-MILD IVORY FLAKES

are the fast flake form of baby's pure Ivory Soap! You couldn't get a purer, safer soap. So, if you've been kind of careless with your dainty duds, just switch to gentle Ivory Flakes Care and see the difference for yourself."
